OLIFE

Nutritional supplement 1000 ml

Technical Information

Description

Olife is a powerful antioxidant and it fights free radicals. It's energizing, depurative and hypoglycemic. It's important to notice that the beneficial effects of olive tree leaves are recognized by the Ministry of Health. In particular, the action on metabolism of lipids and carbohydrates, the normalization of blood circulation, the regularity of arterial pressure, the antioxidant properties. Olife **contains 93% of OLIVUM**, the exclusive olive tree leaves' and calendula flowers' water extract rich in polyphenols, obtained through a particular process which allows to maintain integral the active principles of olive tree leaves: Oleuropein, Elenolic Acid, Rutin, Hydroxytyrosol and Tyrosol. Produced in laboratory, in the Friuli Eastern Hills, under the Rosazzo's Abbey, **OLIVUM** is made in a simple and respectful way, respecting the tree properties and protecting the phytocomplex. This is why Olife is an authentic jewel of the traditional phytotherapy. Efficient, natural and completely non-toxic.

Use

Half glass per day (70 ml). Prolonged treatment is recommended as it represents a valid supplement if taken daily.

Ingredients

Olive tree leaves' water infusion and Calendula flowers (OLIVUM) 93%, fructose, glycerin, potassium sorbate, acidifier: citric acid, natural flavours.

Olive tree leaves' water infusions are non-toxic, they don't produce side effects or contraindications with a long term daily use. Do not use during pregnancy or breastfeeding as studies have not been carried out. During the first 4-7 days of treatment the Herxheimer effect could take place with symptoms like itching, perspiration, minor muscle and articulations pain, this is due to the fact that olive tree leaves' water infusion rapidly fights a large number of bacteria, tissular membranes absorb toxins of dead microorganisms generating minor inconveniences that indicate the correct functionality of the product. Once opened, store in refrigerator and use within 15 days.
