

OSPRINT

Energy Drink 500 ml.

TECHNICAL INFORMATION

Description

Evergree Life, with a particular attention to wellness, has studied for athletes an energetic and thirst-quenching drink, **Osprint** 500 ml (of which 200 ml of OLIVUM), perfect for prolonged physical exercises. Thanks to olive tree leaves' properties and to the beneficial effects on blood circulation, there is a greater oxygen supply and, consequently, a better performance.

Use

200 ml per day, **Osprint** is packed in a comfortable PET bottle, to be used during sporting activity.

Testimonial

The "evergreen" **Manuela Levorato**, pluri women's champion as well as italian record holder, is an enthusiastic user of our products. "Athletics is a fatiguing passion, a compelling love, to reach my objectives I train every day, and I always bring with me a bottle of **Osprint**".

Instructions

Olive tree leaves' water infusions are non-toxic, they don't produce side effects or contraindications. Do not use during pregnancy or breast-feeding. Once opened, store in the refrigerator and use within 3 days.

Ingredients

Water, olive tree leaves' water infusion and Calendula flowers (OLIVUM) 40%, acidifier: citric acid, glycerin, natural flavours, sodium citrate, potassium chloride, magnesium carbonate, sweetener: sucralose.
