HYDRATING TONIC LOTION

200 ml

Technical Information

Description

Hydrating Tonic Lotion acts gently and effectively to remove all traces of makeup and impurities and prepare the skin for the next step in your skincare routine. Its special balanced formula rich with natural ingredients, including **OLIVUM®**, an Olive Tree Leaves' Water Infusion with valuable antioxidant properties, and **prickly pear extract** with hydrating and toning properties makes it suitable for all skin types.

Ideal for a perfectly clean, soft, toned and hydrated.

No SLES/SLS, no parabens, no silicones, no alcohol
DERMATOLOGICALLY TESTED

Beauty tips

Apply to face, neck and neckline using cotton wool pads. Use morning and night after cleansing. We recommend applying the hydrating toner in the evening with a cotton pad if the skin needs extra cleansing, for example after wearing heavy makeup, or gently tapping it on directly using the fingertips to make it absorb with calm for an even more hydrating effect.
